|      | Does this system trigger "underfunded status" as defined by PA 202 of 2017?                        | Primary government triggers: Less than 60% funded <u>AND</u> greater than 10% ADC/Governmental fund revenues. <b>Non-Primary government triggers:</b> Less than 60% funded | NO                                       | NO       | NO       | NO       | NO       |

Requirements (For your information, the following are requirements of P.A. 202 of 2017)

Local governments must post the current year report on their website or in a public place.

The local government must electronically submit the form to its governing body.

Local governments must have had an actuarial experience study conducted by the plan actuary for each retirement system at least every 5 years.

Local governments must have had a peer actuarial audit conducted by an actuary that is not the plan actuary OR replace the plan actuary at least every 8 years.

## Requirements (For your information, the following are requirements of P.A. 202 of 2017) Local governments must post the current year report on their website or in a public place

The local government must electronically submit the form to its governing body. Local governments must have had an actuarial experience study conducted by the plan actuary for each retirement system at least every 5 years

Local governments must have had a peer actuarial audit conducted by an actuary that is not the plan actuary OR replace the plan actuary at least every 8 years.

By emailing this report to the Michigan Department of Treasury, the local government acknowledges that this report is complete and accurate in all known respects.
